Dear Channa,

Re: Exposure Draft 02/23 Proposed Standard APES 225 Valuation Services

Thank you for the opportunity to comment on Exposure Draft 02/23.

IPA is supportive of the range of proposed amendments to align the requirements of APES 225 with APES 110 and to incorporate quality management-related conforming amendments arising from changes made to APES 320 *Quality Managements for Firms that provide Non-Assurance Services*.

IPA also supports the proposal that the amendments will be effective for engagements commencing on or after 1 January 2024, with earlier adoption permitted.

If you have any queries with respect to our comments or require further information, please don't hesitate to contact Erik Hopp at erik.hopp@publicaccountants.org.au or on 03 8665 3144.

Yours sincerely
