

Review Application

This form should be used by applicants who require a review of assessment outcome from the IPA. A fee of \$235 is payable for the review. An independent senior assessor or assessment manager will complete the review within two weeks and issue a letter to notify the outcome of the review. The review fee will be fully refundable if the assessment outcome is overturned.

Same information and documents provided in your application will be reviewed. You should lodge a qualification reassessment application if you wish to add further information or documentation in your application. Reassessment application is not accepted for Skilled Employment Assessment. Please refer to FAQs in the IPA website for details.
